

W NDERDAL

AT HAZENDAL

Interactive Edutainment Centre for Kids aged 5 - 13

DISCOVER A WORLD OF

wonders

Wonderdal offers an immersive and **interactive, fully supervised 2-hour edutainment** experience.

Blending **world-class technology**, creative design and award-winning educational resources to combine learning with play.

KORA, TREE OF LIGHT

Here kids generate an impressive light and sound display with the clever use of a hand crank game and learn about motion energy.

WILDLANDS

An architecturally innovative and imaginative outside play area to use for free play or as an obstacle course.

TINKER WORKSHOP

Where curious hands can tinker with the different types of energy in a wind tunnel, marble run and child safe electric circuitry.

WONDER GARDEN

A virtual garden that offers junior gardeners a fantastical and accelerated experience of how plants grow from seed.

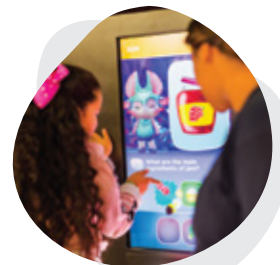

STORY CAVE

Fun and educational books and podcasts, with built-in assessment activities to test listening skills and comprehension.

PLAY TIME

An interactive station where our visitors track their progress, collect hidden gems and dress their Amuki with accessories earned.

HEALTH KITCHEN

In our virtual kitchen kids learn about the benefits of healthy nutrition and how to cook a balanced meal.

MIND PUZZLES

Brain teaser games that tickle young minds, while developing problem solving, creative thinking and fine motor skills.

EDUCATIONAL

Wonderdal is an intelligently designed, curriculum-aligned learning experience including subjects like natural sciences, technology, and life skills for learners in Grade R to Grade 7 (5 - 13 years old).

FULLY SUPERVISED

Wonderdal takes safety seriously. All activities are fully supervised by our trained **WonderPals** who ensure our young visitors are cared for, so that parents and teachers can enjoy a well-deserved break.

HAPPY PARENTS

While the kids are having fun, parents can enjoy the beautiful **Hazendal Wine Estate**, offering a range of culinary and cultural experiences for the whole family. Visit [hazendal.co.za](https://www.hazendal.co.za) for more info.
